

THE ONLY WISE GUY.

That man is more than richly blest
Who takes life as he finds it,
Keeps his own secrets in his breast,
Knows his own biz—and minds it.

That man is either fool or knave
And works his own disaster,
Who digs for other men a grave,
Or feels himself their master.

He goes to ruin, fast or slow,
Who scoffs at race and Nation,
Assuming he is boss below
And running all creation.

Our versatile Fears correspondent, Comrade A. S. Cole, writes us that he is suffering with a recurrence of the grip, which has physically disqualified him from the work of sending in his welcome contributions to THE PUBLIC LEDGER. Mr. Cole is one of the popular old boys who wore the Blue and honored it, and we trust that he may be himself when the flowers bloom again.

Glorious Easter Will Soon Be Here

It has always been our aim to show GOOD THINGS for Easter holiday trade. This season's showing of Men's, Young Men's, Boys' and Children's Clothing far excels all lines ever shown in Maysville. Just take a glance at a few styles we show in our windows. Never before did you see such an array of Togs for all ages. They are the productions of the best manufacturers in the world, and what is more they are EXCLUSIVELY CONFINED TO US.

A WORD ABOUT OUR SHOES

We have not sufficient space to enumerate all the various styles in stock. Look in our show window. If you care about style, combined with quality and a guarantee of reasonable good wear, you want to buy your Shoes from us. None like them sold in Maysville.

The QUALITY Store

The success of this store is built on quality, on the class of trade who realize true economy is a matter of values rather than prices, and that the buying of "cheap garments," cheaply made, is a false economy.

We never studied quality more carefully than in our selection of Spring Suits, Skirts and Waists. It is a charming assortment at prices absolutely the lowest for the values they represent.

Warner's Rust-Proof Corsets

The back of the corset this season is no less important than the front. The corset lacing must be evenly spaced from the top to the lower edge of the skirt. This method and the right corset give the straight back.

This is contrary to the old method of lacing, which was to draw closely at the waist, expanding to a V at the top and lower edge.

The models which we recommend are Warner's Rust-Proof—made to a high standard guaranteed to fit and to wear—not to rust, break or tear.

THE BEST REMEDY

For Women—Lydia E. Pinkham's Vegetable Compound

Noah, Ky. — "I was passing through the Change of Life and suffered from headaches, nervous prostration, and hemorrhages.

"Lydia E. Pinkham's Vegetable Compound made me well and strong, so that I can do all my housework, and attend to the store and post-office, and I feel much younger than I really am."

"Lydia E. Pinkham's Vegetable Compound is the most successful remedy for all kinds of female troubles, and I feel that I can never praise it enough."—MRS. LIZZIE HOLLAND, Noah, Ky.

The Change of Life is the most critical period of a woman's existence, and neglect of health at this time invites disease and pain.

Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs.

For 30 years it has been curing women from the worst forms of female ills—Inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, and nervous prostration.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

Mason Circuit Court.

However slow affairs may have moved in the Court-room yesterday it is evident from the report submitted that the gentlemen upstairs in the Grand Jury room were getting in their work to the Queen's taste, as the following long list of indictments will bear ample testimony:

The Cincinnati Gas Transportation Company, the Columbia Gas and Electric Company and the Corcoran Construction Company, for unlawfully engaging in and doing work on Sunday, each seven indictments.

James Wall, willful murder. Vicle Gunn, Sadie Nowar, Sadie Hawkins and Deb Jackson, each for keeping a disorderly house and maintaining a nuisance.

Frank Hason and Al Wallace, suffering gambling in a house and room under their control.

Thomas Dryden, Al Wallace, Dan O'Brien, Frank Hason and Joe Beckett, gambling.

Paul Mauer and Henry Riets, grand larceny. John Cole and Albert Gillespie, petit larceny. George Minton, housebreaking.

Frank Hason, suffering gambling in a house and room under his control.

Joseph Maletto, charged with highway robbery, dismissed.

After the above labor the Grand Jury adjourned to rest and catch their second wind before proceeding further.

MOSE DAULTON.

In the death of Mr. Mose Daulton, which occurred last afternoon at 2:30 o'clock at his home in West Second street, this city loses another of its representative citizens.

He was taken down with grip in December, culminating in rheumatism and heart trouble. He bore his affliction with patience and resignation until death relieved him of his suffering at the hour stated above.

He was born January 13th, 1841, in the old Daulton homestead in West Second street, where his venerated father first saw the light of day, and at the time of his death had passed his 68th year.

He was a noted liveryman with a State-wide reputation for business integrity and honesty. He was a genial, kind-hearted man, and liberal in dispensing his charity to a fault; everybody was his friend and he was likewise their friend.

He is survived by one sister and one brother, Miss Mary Daulton and Mr. Henry Daulton, both of this city.

The funeral will take place Friday morning at 10 o'clock from his late home, with services by Rev. W. W. Hall, assisted by Rev. Roger L. Clark of the Christian Church.

Interment in the family lot in the Maysville Cemetery.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure! Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 7c. Take Hall's Family Pills for constipation.

Danderine

EVERYBODY CAN HAVE BEAUTIFUL HAIR NOW, and they don't have to wait weeks and months for results either. You will notice marked improvement after the very first application.

Danderine is quickly and thoroughly absorbed by the scalp and the hair soon shows the effects of its wonderfully ex-hilarating and life-producing qualities. It is pleasant and easy to use—simply apply it to the scalp and hair once a day until the hair begins to grow, then two or three times a week till desired results are obtained.

A lady from California writes in substance as follows: I have been using your wonderful hair tonic for several months and at last I am now blessed with a wonderful suit of hair that measures over 18 inches in length; the hair is over 8 inches around.

This Great Hair-Growing Remedy can now be had at all druggists in three sizes, 25c, 50c and \$1.00 per bottle.

To show how quickly Free Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the Knowlton Danderine Co., Chicago, with their name and address and 10c in silver or stamps to pay postage.

Miss Alice Lloyd Allowed \$2,500 For Services in the Equity Movement

It is rumored here that Miss Alice Lloyd, daughter of Evan Lloyd of this vicinity, has been allowed \$2,500 for her services in the cause of the Equity movement against the Tobacco Trust. Miss Lloyd's writings had a great deal to do with the final victory of the farmers.

She has been in the office of the Burley Tobacco Society at Winchester the past several months at a salary of \$100 per month and expenses, so we are informed.

Mr. J. Harvey Belt Monday bought the W. H. Means property on West Water street, Flemingsburg, for \$3,500.

The large, handsome doors to the front entrance of the new Catholic Church have been placed in position, which adds to the beauty of the edifice.

Mrs. Harry L. Walsh and her guest, Mrs. Hector Speth, of Dayton, Ohio, left this morning to spend a few days with the family of Mr. Thomas Lashbrooke in the county.

Leurene, the 24 year old daughter of Charles Bridges of near Manchester, fell backward into a kettle of boiling water and was so badly scalded that she died shortly after.

During the last two days the office of the J. G. Corcoran Construction Company in the First National Bank Building has been a veritable beehive. During that time they have paid off twelve hundred men, who received \$40,000 for services rendered in the construction of the pipe line through Mason county. It required eleven coaches to transport the men over the C. and O. yesterday afternoon to Cincinnati, where they separate, some going to Pittsburgh, others to Chicago, Indianapolis and various points in the West. During the wait at the depot the vicinity had the appearance of an army breaking camp.

A selfish person is a friend to none. Your society may interest him, but he does not care for you.

Governor Curry of New Mexico has withdrawn his resignation on the request of the President.

At Lexington, an ordinance will be passed prohibiting the purchase of junk from persons under 21 years of age. This follows the statement of Superintendent Doak that the majority of the boys sent to Greendale Reform School for theft were caught stealing brass, lead pipe, &c., and selling it to junk dealers.

The movement to convert the birthplace of Jefferson Davis in Christian county into a Memorial Park for Southerners has been revived at Hopkinsville. Options on the Davis farm expire April 27th, and it is requested that all Confederates and their sympathizers interested send their contributions for the purchase of the Davis place to S. A. Cunningham, Nashville, Tenn.

Both Senators Paynter and Bradley fared well in the Senate Committee assignments at Washington Monday. An additional minority place was created for Senator Paynter in the Judiciary Committee, a position the Senator has wanted more than any other. In addition Senator Paynter goes on Philippines, Indian Affairs and Privileges and Elections. Senator Bradley goes on District of Columbia, Revolutionary Claims, Investigation of Trepassers Upon Indian Lands, Transportation and Sale of Meat Products.

A BUSTED TREASURY

Next Legislature Will Have to Be Liberal and Make Up a Million Deficit

The result of numerous demands upon the State Treasury will be that the next General Assembly will convene at Frankfort with close to a million dollars owing by the State in outstanding warrants, including those which will necessarily have to be given in settlement for contracts for completion of the new Capitol, which cannot be delayed.

That this will have a dampening effect on appropriations there is no doubt, but it will bring the solons to a consideration of the more serious sides of State Government, the furnishing of finances to meet debts which it creates.

That the State will have to go on for the next nine or ten months, possibly longer, hawking non-interest-bearing warrants about in the Banks for the conduct of its public institutions is deplored, but it will have to continue unless the State officials can see their way clear to acting under the interest-bearing act of which the Bradley Administration took advantage.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere,—seemed never to achieve a healthy growth.

A ton of manure will not help a plant that has a canker eating out its heart.

You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—It's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

The Commission expects the Court of Appeals will reverse Judge Harbeson and that a decision will be had May let.

IN LOUIS XIV STYLE

Governor's Reception Room in New Capitol Will Be Furnished—Decorations Also Beautiful

Frankfort State Journal.

The reception room of the Governor in the New Capitol will be one of the most beautifully decorated rooms of any Capitol Building in the West. The work will be executed in keeping with the period of the room suggested in the architecture, namely Louis XIV. The enrichment of the ceiling will be in plaster relief and be treated to correspond or harmonize with the tapestry pointed panels that are to be placed in the panels of the side walls.

These panels are to be executed in a series of verger landscapes as those that were executed by the Goblin factories in the time of Louis XIV, introducing a number of scenes surrounding the palaces of Versailles and the Chateau districts of France. The architect, after carefully considering the designs, determined upon this scheme of decoration so that the Commission can at any time take these panels from the walls if they see fit and send them abroad to have them executed in genuine tapestry. This work will be done by W. F. Behrens & Co. of Louisville, Cincinnati and New York.

All of the offices of the heads of the different Departments of the State will be dignified in their treatment, using velvet of various colors in the various rooms upon the walls and ceilings, with simple decorations. All of the corridors are to be covered with a decorative canvas and to be colored in antique Pompeian red. All of the other rooms of the first, second and third floors are to be colored in such a tone as the architect may select.

All of the decorative work is to be completed, so that the furniture can be moved directly into the furnished rooms.

NEW PIPE ORGAN

Handsome Instrument Now Being Installed in the Christian Church

The handsome new pipe organ for the Christian Church, costing \$2,500, has arrived and is now being installed.

The instrument was purchased by the Ladies' Aid Society of the Church, and represents the proceeds of the untiring work of the members of that organization for the past several years. On Monday evening next, March 29th, a recital will be given on the new organ by Mr. Frederic Rogers, a prominent concert organist, to which the public is very cordially invited.

The organ was purchased from the Carl Barkhoff Company of Pomeroy, Ohio, and is being installed under the supervision of Mr. H. C. Barkhoff and Mr. Weiseman.

There are now 103 children and two widows at the Oddfellows Widows and Orphans Home at Lexington.

Ohio is going to give each county in that State \$5,587.77 as aid for good roads. This is derived from the general appropriation of \$400,000, \$46,577.75 from the tax on automobiles and the \$5,000 which was refused by Clinton county last year.

Mr. Charles Kennan made a business trip to Flemingsburg last week.

Mrs. George H. Dickson of Bridgeport is at the bedside of Mrs. Thad Bullock, who is sick.

Mrs. Dr. W. H. Hord entertained the Ladies Aid last Wednesday afternoon. Refreshments were served, consisting of hot chocolate, lemonade, cakes and pudding.

The three-year-old child of Mr. Lewis Fields was so badly burned by its clothes catching fire from the grate last Thursday morning, that it died a few hours later.

Mr. Belvin Browning's horse became frightened while he and his mother were on the road to town, and overturned the buggy, throwing Mrs. Browning out and very painfully injuring her limb.

EAST LIMESTONE.

Mr. J. J. Ingram and family are all on the sick list.

Miss Mary Cummins and little sister of Maysville spent Friday and Saturday with Miss Mary Russell.

The Gas Company is erecting their telephone system along their line passing through this vicinity.

Crows are very numerous and farmers are apprehending a siege of their depredations later on.

Mrs. Robert Colburn has sold her farm to Mr. George Wallingford, one of Maysville's prominent East End grocers.

The much talked of skating rink at Foxport, Fleming county, developed into a grist mill. Now the patrons, instead of taking their roller skates, can carry a sack of corn.

Messrs. Andrew and Louis Ring purchased furniture in Maysville Saturday preparatory to taking up housekeeping on their farm near Plainville, where they expect to do some elaborate farming the coming season.

Mr. Robert Brodt, one of Summitt's spy young hopefuls, who was out Sunday evening acting as chauffeur with his fancy automobile (?) put the more insignificant rubber tires on the narrow-gauge pike to a speedy skidoo.

The family of Mr. and Mrs. Sam Kuble were agreeably surprised Friday night at their home by a crowd of young people. While the hostesses was unaware of their coming she elegantly entertained them in her charming way.

A medicine that answers every call. Is Doan's Kidney Pills, a true specific. Thousands of people rely upon it. Here is one case: Ernest H. Staley, East Second street, Vanceburg, Ky., says: "I use Doan's Kidney Pills occasionally and can say that they never fail to give me prompt relief. I suffered from frequent spells of lumbago and at such times my kidneys became sluggish. An old gentleman finally recommended Doan's Kidney Pills to me and he spoke so highly of them that I procured a box and began their use. They were satisfactory in every respect and gave me the best of results. I always keep Doan's Kidney Pills on hand in case of any recurrence of my trouble."

Are You in the Market for Your Spring Outfit?

You may not think of it, but it does make a difference to you who makes the clothes you wear, especially if the maker is willing to tell you what he makes them of and how. That's one thing we like about the Hart, Schaffner & Marx and Ederheimer, Stein & Co. clothes. (Both these lines confined to us.) They are made of strictly all-wool fabrics, and the makers seem to want everybody to know it. They advertise the fact extensively. It's the most important fact about the clothes. There are plenty of good-looking clothes for sale that are not all-wool; the makers don't claim they are. They don't say much about it. We like to sell clothes that our customers can be positive about, goods that you don't have to take anybody's word for, clothes you know are good. They are easy to sell and a satisfaction to everybody.
